Altura Gold

MAGNIFICA DESCOBERTA

Descobrir o luxo de um home lift com o Altura Gold

Com o seu deslocamento suave e uma gama de elegantes opções, o home lift Altura Gold representa um luxo para cada edifício.

Características de primeira são incluídas de base em toda a gama Altura, ficando livre para se dedicar à selecção do tipo e dimensão da plataforma que represente a melhor solução para as necessidades. O Altura Gold é uma plataforma aberta inserida numa estrutura metálica, que pode ser instalada em pequenos espaços sem comprometer o conforto e facilidade de utilização.

O Altura Golda tem um design simples, melhorado com elegantes detalhes, tornando-o um atractivo elemento para qualquer casa. Podem ser escolhidas uma selecção de opções personalizáveis para melhorar a integração em qualquer interior.

1 Um percurso suave.

O Altura Gold é equipado com arranque e paragem suaves, proporcionando um percurso suave e confortável em cada utilização. Prima, e mantenha, o botão de destino no painel de controlo, e deixe que a plataforma o leve suavemente ao piso desejado.

2 Personalize o seu elevador.

Com uma oferta variada de opções, o Altura Gold pode tornar-se verdadeiramente parte da sua casa. Escolha entre uma gama de tamanhos, cores e detalhes para a estrutura, paredes, chão e portas para criar o elevador que responda às suas necessidades e se integre no seu espaço.

3 Fácil instalação.

O Altura Golda está desenhado para se poder instalar em pequenos espaços com o mínimo de obras. O elevador é fornecido com a sua própria estrutura, para funcionar no seu interior. Trabalha com corrente monofásica e é normalmente instalado em poucos dias.

O Altura Gold está totalmente de acordo com as mais modernas normas europeias.

The doors of the Altura Gold home lift can be painted any colour to match your surroundings.

Console wall

Plain skinplates

Steel panel with a solid colour textured plastic coating.

Patterned skinplates

Steel panel coated with lightly patterned smooth finish.

Stainless steel (Gold Pro only)

Actual colours may vary. RAL paint references are given as suggested matches to the skinplate choices.

Flooring

Altura Gold has a choice of 3 vinyl floor coverings, with life-time non-slip guarantee. The lift can also be supplied without flooring if you want to fit your own.

WHITE

SAND

GREY

Glass and Panels

The following options are available for the glass panel in the door and for glass panelling in the shaft.

TRANSPARENT

OPAQUE

SEMI-REFLECTIVE

SMOKY GREY

SMOKY SATIN

Shaft with solid panels

Shaft with glass panels

The metallic shaft is available with plain polyurethane panels or with glass panels.

The plain panels and the metallic frame are finished in white as standard, or they can be painted in your choice of colour from the RAL range.

Access. Everywhere. For Everyone.

ABOUT ACCESS BDD

When you choose an Access BDD product, you're choosing the best in comfort and luxury, with superior customer support throughout the life of your lift.

Access BDD is a division of thyssenkrupp Access Ltd. We give people around the world the ability to move comfortably around buildings by providing stairlifts, platform lifts and home lifts, which we distribute via a network of carefully chosen business partners. When you choose an Access BDD lift, you're choosing a high-quality product, supported by expert service and advice.

Our partners are all specialists in mobility or elevator products, and they receive extensive technical and commercial training on our products. Your Access BDD partner will guide you through the product options to help you choose a lift that meets your own needs and suits your surroundings. You'll also receive expert advice to ensure that your new lift conforms to relevant accessibility and safety regulations.

Our products are designed for easy installation and maintenance, with everything taken care of by your Access BDD approved partner.

It's nice to deal with a supplier like Access BDD. One who cares and goes the extra mile to ensure we are being looked after, which in turn means we can look after our customers."

When you choose an Access BDD product, you're choosing:

- Comfort and luxury as standard
- Superior technical support and customer service
- The latest technology, customised to meet your needs

Since 1976, we've been simplifying complex choices to help people move around their homes.
